"You two stay here Swallow and Gazer, I am going to get that son of a wicked Nessie back hurting monster and I am gonna. You guys just stay here. Sorry Nessie she whispered, I know my mom had a sea monster, as a child to. A noise was heard from the sea, "sorry sister". She flew towards the place where Valley was and spoke "What if I were to challenge you for the throne or what about that Sandwing there, you know anyone can challenge you if you don't have the necklace, she laughed. Like this necklace I am wearing only the one you want is the Onyx. It's pretty powerful you know.
